eDIN RACK MOUNT PANEL, 2RU

#1103

PRODUCT OVERVIEW

The 1103 eDIN Rack Mount panel provides a way to create custom rackmounted eDIN assemblies.

Simply snap in the eDIN modules of your choice to create the exact combination of interfaces you need! A handy built-in cable management system keeps things tidy when making external connections.

SPECIFICATIONS

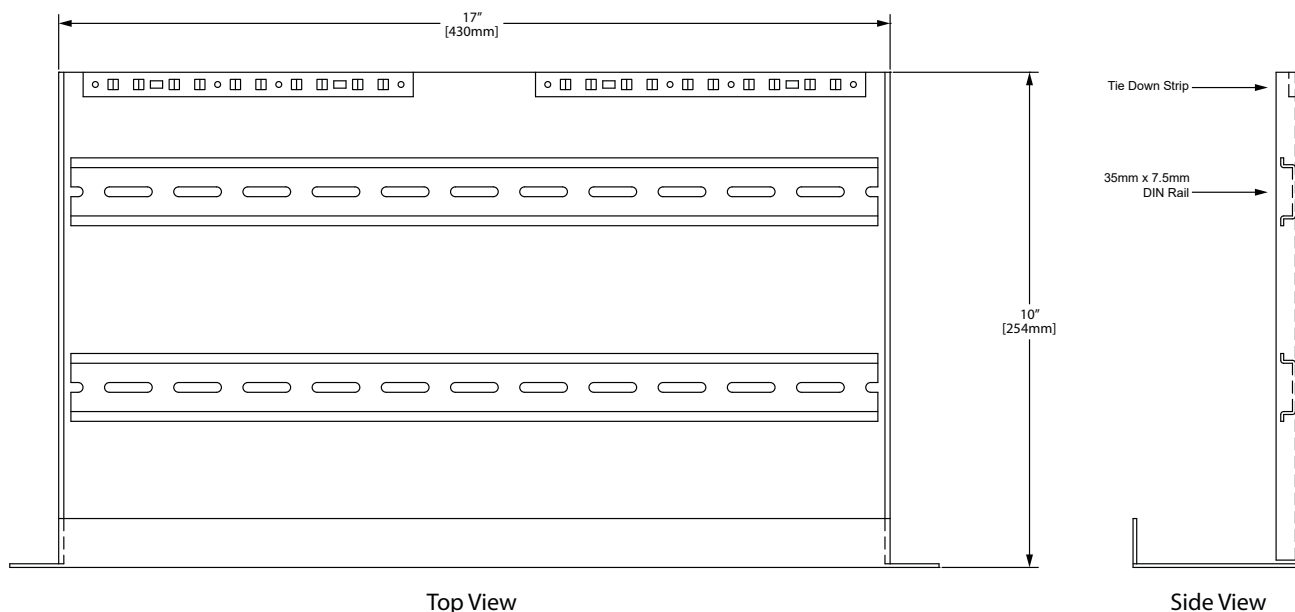

- Two DIN rail sections measuring 16.5" (420mm) supplied

FEATURES

- Standard 19" rack mounting
- 2RU height fits all eDIN modules
- Integrated cable management
- Rugged single-piece steel construction
